through popular movies starring bruce lee and songs like the disco hit kung fu fighting martial arts have found a central place in the western cultural imagination but what would martial arts be without the explosion of media texts and images that brought it to a wide audience in the late 1960s and early 1970s in this examination of the media history of what we now call martial arts author paul bowman makes the bold case that the phenomenon of martial arts is chiefly an invention of media representations rather than passively taking up a preexisting history of martial arts practices some of which of course predated the martial arts boom in popular culture media images and narratives actively constructed martial arts grounded in a historical survey of the british media history of martial arts such as bartitsu jujutsu judo karate tai chi and mma across a range of media this book thoroughly recasts our understanding of the history of martial arts by interweaving theories of key thinkers on historiography such as foucault and hobsbawm and said s ideas on orientalism with analyses of both mainstream and marginal media texts bowman arrives at the surprising insight that media representations created martial arts rather than the other way around in this way he not only deepens our understanding of martial arts but also demonstrates the productive power of media discourses

for one thousand years the milu an exotic species of deer with the neck of a camel horns of a stag feet of a cow and tail of a donkey existed only in the chinese emperor s private park in beijing but in the nineteenth century a basque missionary risked his life to obtain a specimen then embalmed it and sent it to paris the preserved remains caused quite a stir and soon every major nation in europe possessed a milu but most died quickly and due to war most notably the boxer rebellion they became extinct in their native habitat as well yet the eleventh duke of bedford was devoted to preserving the milu under his care at woburn abbey a herd flourished and nearly a century later in 1986 part of the british herd was returned to china in his fascinating tale robert twigger poignantly recounts the story of this strange and rare animal while providing a riveting meditation on evolution truth telling extinction myth making and survival
